SENTARA

What is SNIP?

The **Student Nurse Internship Program** or **SNIP** is an early workforce recruitment initiative offered by Sentara Norfolk General Hospital for senior nursing students completing their last two semesters of an accredited nursing program.

SNIP provides aspiring nurses unique opportunities to **earn premium** pay while working as “Nursing Students” in our acute care facility that is nationally recognized as a Magnet-designated hospital, a Level 1 Trauma Center, and an innovator in cardiac medicine.
